HELEN HELP US!

by Helen Bottel

WHICH CAME FIRST, THE HUSBAND OR THE NERVES?

Dear Helen: I am under treatment for my nerves, and no wonder. My husband gives me nothing but trouble. He never listens, won't help me with the children, drinks beer on weekends, and would rather flop on the couch and sleep than talk to me.

He calls it nagging when I ask him to get off his duff and do something. Is it any wonder the doctor gives me pills for my nerves? How can I show my husband he's driving me crazy?—NERVOUS WRECK

Dear Wreck: Reading letters like yours—and I get so dog-gone MANY!—often wonder: Did the marriage cause the nerves, or did the nerves cause the bad marriage?

Before you blame your husband for ALL your troubles, put yourself in his place and imagine how it would be living with YOU.

Perhaps he turns you off because if he tuned in to your complaints, he'd be writing, "Dear Helen: How can I show my wife she's driving me crazy?"—H. Dear Helen: My wife has been flirting with other men and keeps complaining that I don't give her enough shopping money.

I try to reason with her, but she always brings up the untrue story about me making it with another girl who is seven years younger than she is.

Is all this serious enough for a separation.—MAD AND CONFUSED

Dear M and C: All this will certainly LEAD to a separation unless you two discuss, rather than accuse. Before you can patch up a marriage you must find the basic weaknesses, and I don't think you've even come close. Stop blaming and start talking civilized.—H.

Dear Helen: I know you can airmail a letter to Vietnam for six cents, on a "space available" basis, but how about sending letters and packages to other overseas military post, I write to a Serviceman in Germany as well as to one in Thailand.—POSTAGE POOR

Likes Being Both Wife, Secretary

By G. C. THELEN Jr.
Associated Press Writer
WASHINGTON (AP)—Lola Aiken, a senator's aide who married the boss after more than 30 years as an employee says she's thriving in her double role as wife and administrative assistant.

"This has been the most exciting time of my life," said Mrs. George D. Aiken, approaching the first anniversary of her marriage to the veteran senator from Vermont.

She began working for Aiken when he was Vermont governor in the late 1930s and joined his Washington staff when he entered the Senate in 1941. Despite his status as the Senate's ranking Republican, she always refers to him as "the governor."

"The governor and I have an extraordinary married life," Mrs. Aiken said in an interview.

The 75-year-old Aiken, a widow, and his effervescent office aide, the former Lola Pierotti, about 55—she won't disclose her age—were married June 30.

Now the demands on her time are greater.

"You have no idea how much," she said. "I come in at 6:45 a.m. Then there's a luncheon for Republican women. Later in the afternoon a tea in Georgetown."

"Back to the office to tend the mail," she said. "Then off to the Hilton Hotel for a Republican dinner."

Her snow-haired husband, in turn, has been spending more time out socially since marriage, Mrs. Aiken said.

"The governor likes it because he's not going out alone any more," she said.

Home for the Aikens in Washington is a one-bedroom apartment within walking distance of the Capitol.

The Aikens have two houses in Vermont, one in her home town, Montpelier, and the other in his, Putney.

Despite a quickened social life, Mrs. Aiken is still wedded to her job, unpaid now, as her husband's administrative assistant.

"It's my first love," she said. "I don't think I would be satisfied without it."

Methodist Churches to Merge

EL DORADO, Ark. (AP)—The Little Rock Conference of the United Methodist Church accepted a recommendation Tuesday to merge with the Southwest (Negro) Conference.

Bishop Paul V. Galloway was asked to appoint a committee to work with other conferences on the proposed merger.

The North Arkansas, Oklahoma and Southwest Conferences are to vote on the proposed merger in 1969.

Dr. Marshall T. Steel, president of Hendrix College, a Methodist school, recommended revisions in the college's charter that would provide wider membership on its Board of Trustees.

Steel proposed making life members of persons who served 18 or more years on the board, and he proposed providing six-year terms for ministers on the board. Trustees no longer would be elected by the Alumni Association but it would be mandatory that 60 per cent of the trustees would be alumni.

Presbyterian Synod Has Moderator

CAMDEN, Ark. (AP)—J. E. Dews of Forrest City has been named moderator for the Arkansas Synod of the Presbyterian Church in the U.S., which opened a two-day meeting here Tuesday.

The synod also voted to merge with the Oklahoma Synod, and if the church's General Assembly approves the merger when it meets at Montreat, N.C., June 6, it would result in a union of 175 churches and 27,000 members.

The Oklahoma Synod approved the merger last March.

Real Estate Tax Only, Says Crank

LITTLE ROCK (AP)—Rep. Marion Crank of Foreman, a Democratic gubernatorial candidate, said Tuesday that it was "improbable" — with one exception — that the special session of the legislature would pass any of Gov. Winthrop Rockefeller's proposed tax increases.

He said the real estate transfer bill has a "possibility" of being enacted.

Crank said the governor had not laid any groundwork for his tax program.

Told that if the legislature failed to provide more money for state operations Rockefeller could make this a campaign issue, Crank said: "I think we're at the point now where the legislature may be using some of these things against him."

Dodgers Crush the Cardinals

By RON RAPOPORT

Associated Press Sports Writer Herman Franks got the game he'd been waiting for. Larry Shepard still is waiting.

Franks' San Francisco Giants beat Atlanta 6-4 Tuesday night and moved into a tie for second place in the National League with the Braves.

Shepard's Pittsburgh Pirates fought the New York Mets 17 innings before bowing 4-3 and dropping into the cellar.

In other National League games, Los Angeles crushed St. Louis 9-2, Houston bombed Cincinnati 8-2 and Chicago edged Philadelphia 6-5.

In the American League, Chicago nudged Baltimore 2-1 in 12 innings. New York outlasted Washington 2-1, Minnesota took Detroit 3-1, California trimmed Boston 5-1 and Cleveland divided a doubleheader with Oakland, winning the opener 1-0 before bowing 2-0.

"It's about time we did something right," said Franks after the Giants, losers in three of their last four games, had taken another 5-0 lead and then held off a late Braves' rally. "But I was along in that direction."

Shepard, who recently threatened to fine his players if they didn't produce, had himself to blame for his club's latest defeat, its fifth in a row.

With a man on second and one out in the 17th, he replaced smoothfielding Bill Mazeroski with a 137 at Dallas and R. B. second with Chuck Hiller, who is not exactly a candidate for the Golden Glove award.

Shepard later said his strategy was to have Hiller bat third in the 18th inning for the pitcher. But there never was an 18th inning, because after Elroy Face retired one batter, Ken Boswell grounded to Hiller, who threw the ball away, letting the winning run score.

Bob Bailey drove in five runs with a homer and two singles in the 14th hit Dodger attack. Bill tour several years ago.

Singer, 4-5, was the winning pitcher. Tom Haller tripled in Country Club in Hollywood, Fla., posted rounds of 66-70 for his 136 over the par 70 Memphis Country Club course, Montgomery, Ala., for Fort Worth, Tex., for his 137, seven-under-par, at the Dallas Dierker stopped the Reds las Country Club, McLeod, of on seven hits in bringing his season record to 4-6 and stop-139 on the same course on which piling a four-game Cincinnati losing streak.

A passed ball to Cookie Rojas, who was switched to catcher in the last of the ninth, let Billy Williams score the winning run for the Cubs. The Phillies had tied the score with four runs in the ninth, Rojas hitting a three-run homer with two out.

Albuquerque Defeats the Travelers

ALBUQUERQUE, N.M. (AP) — Fred Norman pitched six innings of perfect baseball before retiring with a sore shoulder as Albuquerque downed the Arkansas Travelers 6-2 Tuesday night in Texas League baseball.

Norman, who had been on the disabled list since April 23 with an injury to his left shoulder, apparently was still in pain when he had to leave the game after retiring all 18 batters he faced.

Albuquerque relief pitcher Dick Dars yielded a two-run homer in the ninth inning to Arkansas centerfielder Boots Day.

Memphis, leaders in the East Division, took a 15-12 pounding from El Paso. The game was highlighted by three-run home runs by Chico Diaz and Lloyd Flodin of Memphis and Dennis Paspeke of El Paso.

In other game Tuesday night, Amarillo stopped Shreveport 7-3 and San Antonio blanked Dallas-Fort Worth 1-0.

Dwelling, Newton (5), Hamen-de (6), Roque (8) and Roberto; Norman, Dars (7) and Hollis; W. — Norman (1-1), L. — Dwelling (1-1). Home runs — Albuquerque, Budd (3); Arkansas, Day (2).

Indians, Yankees Post Wins

By DICK COUCH

Associated Press Sports Writer Cleveland pitching has made a little go a long way this spring, but once in a Blue Moon the Indians get burned with their own firewater.

Sam McDowell hurled a four-hitter Tuesday night as the Indians nipped Oakland 1-0 on Jose Cardenal's 11th-inning homer for their 12th shutout victory of the young season.

But John "Blue Moon" Odom turned the tables in the second game of the two-night twin bill, pitching the A's to a 2-0 victory that snapped Cleveland's winning streak at four games and ended a six-game Oakland winless string.

The low-scoring doubleheader split capped an evening of tight squeezes in the American League. The Chicago White Sox edged Baltimore 2-1 on Gerry McNertney's run-scoring single in the 12th inning; the New York Yankees slipped past Washington 2-1 on Andy Kosco's ninth-inning homer and Minnesota knocked off first place Detroit 3-1 on a two-run eighth inning single by Rich Rollins.

Home runs by Jim Fregosi and Rick Reichardt swept California to a 5-1 victory over Boston in the league's lone non-squeaker.

In National League play, the New York Mets shaded Pittsburgh 4-3 in a 17-inning marathon, the Chicago Cubs shaved Philadelphia 6-5, San Francisco downed Atlanta 6-4, Los Angeles drubbed St. Louis 9-2 and Houston whipped Cincinnati 8-2.

Odom, given only one run to work with in each of his three setbacks this season, got the only run he needed against Cleveland when John Donaldson, Danny Cater and Jim Gosger bunched fourth inning singles off loser Luis Tiant.

The Oakland right-hander, 3-3, scattered seven hits, pitching out of several early jams, before Bert Campaneris' double, an infield hit by Sal Bando and an error by Cleveland third baseman Max Alvis gave the A's an insurance run in the eighth.

McDowell ran his major league leading strikeout total to 90 by fanning 12 Oakland batters in the opener. The Cleveland southpaw ace, 5-2, battled A's right-hander Chuck Dobson through 10 scoreless innings before Cardenal led off the 11th with a shot into the left field bleachers.

Dobson also allowed only four hits and struck out seven, but was tagged with his third straight one-run loss and dipped to 2-4 over-all.

Ken Berry and Sandy Alomar beat out bunt singles in the 12th inning at Baltimore before McNertney fouled off two bunt attempts and then lashed a single to right, scoring Berry to break a 1-1 deadlock.

The Orioles had tied the game in the eighth on a walk and singles by Frank Robinson and Boog Powell.

Kosco's 11th homer, a leadoff blast off Joe Coleman in the ninth, gave Mel Stottlemyre his sixth straight victory over the Senators and extended New York's modest winning streak to three games.

Stottlemyre checked Washington on six hits in bringing his 1968 record to 5-3 and also stroked three of the Yanks' seven hits off Coleman, who struck out nine—including Mickey Mantle four times.

Rollins' one-out single to left off Detroit's Joe Sparma in the eighth scored Rod Carew from third with the tie-breaking run and Tony Oliva raced all the way home from first when the ball rolled dead on the outfield grass.

Carew started the rally with a double, his third hit of the game, and took third on a short passed ball as Harmon Killebrew struck out. Oliva then was walked intentionally, setting the stage for Rollins.

Dean Chance stopped the Tigers on four hits, squaring his record at 4-4 and helping Minnesota break a three-game losing string.

G&F Ruling Bans All Fox Hunting

LITTLE ROCK (AP) — The Arkansas Game and Fish Commission passed a regulation Tuesday banning free-running dogs that is stiffer than an earlier regulation that was ruled unconstitutional.

The new regulation, which becomes effective June 1, bans fox hunting anywhere in the state and says it is unlawful for any dog to chase or pursue any wild animal or wild bird from April 1-July 31.

The regulation as well as the commission's power to make such regulations is expected to be tested in court by the Arkansas Fox and Wolfhunters Association.

The association challenged a previous regulation which the commission set up areas where fox hunters could run their dogs. That regulation was ruled unconstitutional in an opinion by the attorney general's office.

The commission also adopted a selective timber cutting program on property it owns in the state, and it adopted a ruling that makes retirement of employees mandatory at age 65. Approval also was given for the purchase of 50 bears.

Arkadelphia Wins in Tournament

PINE BLUFF, Ark. (AP) — Greenwood, Arkadelphia, Gillett and Junction City all registered victories Tuesday in the first round of the state high school baseball tournament.

Greenwood nipped Vilonia 3-2, Arkadelphia downed Mountainburg 7-4, Gillett blanked Monette 2-0 and Junction City edged Leachville 6-5.

Gillett's Terry Whiting and Monette's Hubert Cockrum locked horns in a pitcher's duel before Whiting helped his own cause with a two-run homer in the fifth inning.

Greenwood notched its victory when Danny Smith raced home from first base on a double by Danny Scholer in the 10th inning. Vilonia had sent the game into extra innings by shoving across two runs in the bottom of the seventh.

Larry McDaniel went the route for Greenwood, scattering seven hits and striking out 16. Joe Barnes, who relieved starter Terry Graham in the eighth inning, absorbed the loss for Vilonia.

Arkadelphia erupted for seven runs in the fourth inning to whip Mountainburg 7-4. Ricky Graham tossed a cool three-hitter and fanned eight to register the victory for Arkadelphia.

Jim Seratt was charged with the loss for Mountainburg.

Leachville jumped into a quick 4-0 lead over Junction City, but JC tied it 5-5 after

Stanky Just Doesn't Go by the Book

By GORDON BEARD

Associated Press Sports Writer BALTIMORE (AP)—No one can accuse Eddie Stanky of managing by the book when it comes to postgame machinations.

The Chicago White Sox skipper, who likes to keep one jump ahead of his considered adversaries — opposing teams and sports writers — used a new ploy Tuesday night.

After Chicago edged Baltimore 2-1, with a smashing 12th-inning rally which included two safe bunts and a ground single which followed two foul bunts, Stanky had the reporters locked out.

The postgame freeze was nothing new, having been used by Stanky six times previously this season. But it was the first time he flashed the lockout signal to the clubhouse man following a victory.

The consensus was that Stanky was retaliating for stories in Baltimore newspapers Tuesday which criticized the manager for his brusque and rude fielding of questions following Balti-

more's 2-1 victory Monday night. No one ever bothered to ask Stanky.

But pitcher Hoyt Wilhelm, asked if there had been a meeting, offered the quizzical reply: "Not that I know of."

The lockout lasted 18 minutes — short by Stanky standards. After a loss to the California Angels in Anaheim earlier this year, he kept reporters outside 45 minutes.

Memphis Open Tournament This Week

By BILL JOHNSON
MEMPHIS, Tenn. (AP) — If Gary Player is any kind of prognosticator at all, the galleries should be in for some fine golf during the Memphis Open this week.

Player, fresh from a tie for fifth in the Colonial Invitational in Houston, toured the par 34-36-70 Memphis Colonial Country Club course Tuesday with a two-under-par practice round of 68.

"I think the scores are going to be fantastic," the muscular South African said. "The ground is very hard and the ball will roll. I think somebody will shoot a 63 sometime during the tournament."

A 63 really isn't anything new for the 10-year-old Open. It's been done 10 times in the pro play.

Play in the 11th annual Open, a \$100,000 affair with \$20,000 going to the winner, begins over the 6,500-yard course Thursday morning.

Player, who lost playoffs for the Memphis Open pot of gold in 1959 and 1962, says he is in a good frame of mind for this year's competition.

Player shares the distinction with Gene Littler with being in two Memphis Open playoffs — and losing them both. Neither has collected the top money here in any Open.

Took the Mets 34 Innings to Get Run

By JACK HAND
Associated Press Sports Writer
NEW YORK (AP) — It took the New York Mets 34 extra innings before they finally scored a run in overtime this year but how sweet it was.

The Mets finally broke through in the 17th inning Tuesday to beat Pittsburgh 4-3 on an unearned run at that.

In four previous marathons they had lost to Houston in 24, Atlanta in 16, and St. Louis and Philadelphia in 11 without scoring once in extra innings.

Pirate manager Larry Shepard's strategy backfired in the 17th at Shea Stadium when he changed pitchers and second basemen at the same time with

HOPE (ARK) STAR, Printed by Offset

a man on second and one out. Tommie Agee, who hit a two-run homer in the second but struck out four times, opened the 17th with a single to center. Jerry Buchek sacrificed.

Then the Pirate manager made his move. He brought in Elroy Face to pitch to Bud Harrelson and also replaced Bill Mazeroski at second with Chuck Hiller, an ex-Met.

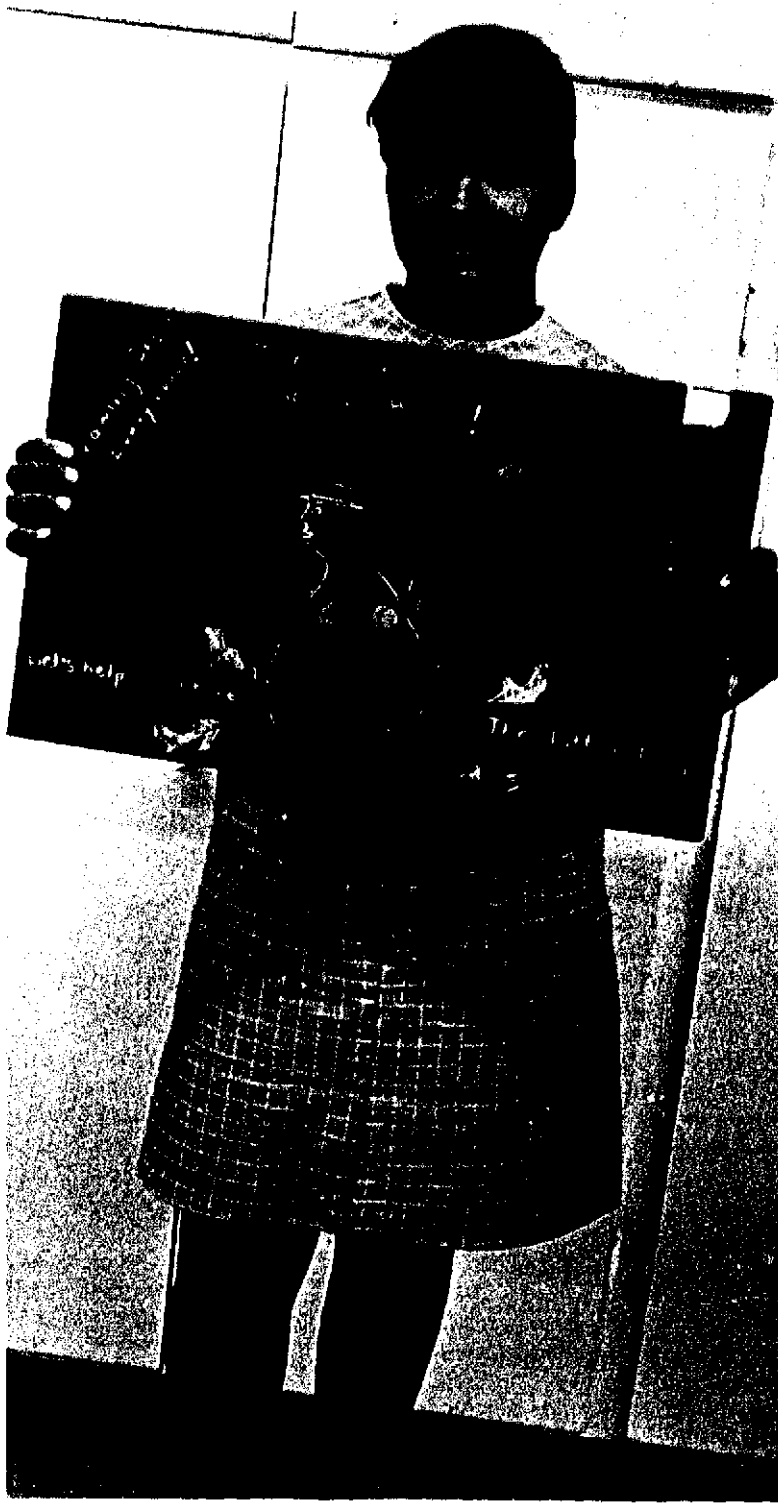

By juggling his batting order, he thus planned to have Hiller bat in the ninth position—he would have been up third in the 18th that never came.

Face got Harrelson out, but Dave Boswell singled between first and second on a 3-2 pitch and Hiller threw the ball away past first, permitting the winning run to score.

"My throw led Face too much," said Hiller in the Pirate clubhouse. "It was just a lousy throw."

Shepard explained his move by saying, "I wanted a man (not a pitcher) batting in the ninth spot."

Two Issues Still Not Introduced

Current history is on the screen at the Saenger theater where "The Comedians" opened Tuesday night and will run through Thursday night, there being but one performance each day at 7:30 p.m.

My review of the opener last night is made difficult by the fact that I read the book by Graham Greene, one of his best novels. It must be said, to the credit of the picture, it follows the book exactly. Whether it is top entertainment for a Hope audience is something you will have to decide for yourself.

"The Comedians" is the story of the island of Haiti, ruled ruthlessly by the dictator Francois (Papa Doc) Duvalier, whom the film shows putting down merely another in an endless line of revolts.

Dictator Duvalier is in the news today, protesting to the United Nations because of the bombing of his country by pirate planes suspected of being sponsored by either Communist Cuba or Haitian exiles in the United States.

Duvalier isn't portrayed on the screen but his street bullies are, and his dictatorship is the theme that makes "The Comedians" an important literary event and worth-while motion picture. It is magnificently done by a world-famous cast: Richard Burton as the English owner of a run-down Haitian hotel; Elizabeth Taylor as the faithless wife of a South American ambassador; Peter Ustinov, the ambassador; and Alec Guinness as the whimsical gun dealer who is in and out of the hands of the police from the first reel to the last.

While we're on this history "kick" it's timely to mention a current Associated Press background story, on the present attempt to overthrow the DeGaulle government in France. Briefly, the AP story recalled that today's disorders in Paris complete a cycle that began in 1958 when the Leftist premier Mendes-France pulled his country out of its disastrous war in Vietnam.

Shortly after the withdrawal from Vietnam rumors began to circulate that the government might also pull out of North Africa, and an angry France threw out Mendes-France and the Fourth Republic and set up the Fifth Republic with the Rightist Charles deGaulle as its strong man.

Now the circle has returned to its beginning, and the same Mendes-France is using the strikes and disorders in Paris to threaten the ouster of deGaulle and revive a Leftist government.

Warns U.S. Poor, Hungry Must Be Fed

WASHINGTON (AP) - Secretary of Agriculture Orville L. Freeman says Congress must come up with more money and grant added authority if his department is to expand programs for feeding poor Americans.

"Right now we are stretched to the very limit of our budget, our available manpower and our legal authority to carry on these programs," he told the House Education and Labor Committee.

His remarks were prepared for a hearing today. Some committee members said Tuesday they intended to question Freeman sharply about improving the school-lunch program.

The committee is considering a resolution calling for a presidential commission to study malnutrition and report by Jan. 1.

Before about 35 persons from the Poor People's Campaign attending Tuesday's hearing, Rep. Roman C. Pucinski, D-Ill., contended immediate action—not further study—was needed.

Senators Vote Against

WASHINGTON (AP) - Sens. J. William Fulbright and John L. McClellan, both D-Ark., voted with the majority Tuesday when the Senate rejected 51-31 an amendment to delete a crime-bill section to undo supreme court restrictions on confessions and police lineup identifications.

Child, 1 Year, Is Drowned

BENTON, Ark. (AP) - Floyd Montgomery, 1-year-old son of Mr. and Mrs. A. C. Montgomery, drowned Tuesday at his home in Traskwood (Saline County).

Police said the child fell into a five-gallon bucket used to feed livestock.

By an 8-3 vote, the committee placed a "do not pass" recommendation on a real estate transfer tax bill and the action probably means that the bill is dead.

The committee's attitude also lent weight to speculation by individual legislators that Rockefeller is unlikely to get any tax proposal through the General Assembly in his election year.

LITTLE ROCK (AP) - An aide to Gov. Winthrop Rockefeller said today the controversial mixed drink bill definitely will be introduced today in the Arkansas Senate.

John Eldridge, the governor's liaison man with the Senate, would not say, however, which senator will sponsor the bill. And he was not as certain that a bill to increase the cigarette tax three cents a pack will be introduced today. The administration is counting on Sen. Clifford Wade of Fayetteville to handle the cigarette tax bill, and Eldridge said Wade has not made up his mind yet whether he will do it.

Eldridge said that the administration had not asked any one else to sponsor the bill. The administration reportedly has asked the Pulaski County delegation in the Senate to sponsor the mixed drink bill but at least two of the senators are believed to have declined.

The mixed drink and cigarette tax bills are the two most controversial measures of the special session, which is now in its third day.

Rockefeller met again today with a delegation of legislators at the mansion to discuss the bills.

Rockefeller has said he wants sponsors to include legislators from throughout the state. Rockefeller said Tuesday several legislators had agreed to sponsor the proposals.

He said the mixed drink measure was being held back to recruit other legislators to spread the sponsorship throughout the state.

Pulaski County's five senators were asked to sponsor the drink bill but two of them, Sens. Joe Ford and Oscar Alagood, indicated they would not be sponsors.

In an effort to drum up support for his 31-point call, Rockefeller had breakfast with several legislators Tuesday and he said three or four told him "this is your program, let's get together and get the job done." Rockefeller said he would breakfast with another group of legislators today at the governor's mansion.

Action of Youth Now Makes Oldtimers of Many Prematurely

By HAL BOYLE
NEW YORK (AP) - There was a time when most men rather resented being called old-timers.

Although the term reflected affectionate esteem, it also implied that one was unduly out of touch with the present and had become, unknowingly, a prisoner of his past.

Today the situation has changed considerably. Youth has been acting up so much lately that a lot of people are prematurely claiming to be old-timers. In the bitter war being waged between the generations, they don't want to be accused of being on the side of the feckless young.

How can you tell the phony from the true. Well, a fellow is probably a 24-karat old-timer if it wrecks his whole day to come to work and find someone else is using his favorite lingo in the office cloakroom.

On the rare sunlit afternoons when he feels like humming a tune, it's likely to be something

written by Stephen Foster. He can't understand the continuing popularity of the Beatles - are there five or six of them? - because he is still trying to find out what people see in Elvis Presley.

Whenever inflation and the high cost of living are mentioned, he closes his eyes, points his nose to the ceiling, and begins to bay about how little he paid for a bowl of bean soup in 1931.

His children never did anything right in their lives, but his grandchildren can do no wrong. When others reminisce about the days when people actually bought store teeth by mail order, he bares his gums and says proudly, "mine still fit."

Whenever Shirley Temple issues another political statement, he remarks cuttingly, "One of the nicest things about Mary Pickford is that she never

French Strike Smothers Paris; DeGaulle Sure to Beat Off Censure

By DAVID MASON
Associated Press Writer
PARIS (AP) - President Charles de Gaulle's government appeared certain to defeat the censure motion in the National Assembly tonight, but the strike crisis smothering activity in city after city showed no sign of abating.

More than 2 million workers joined the strike Tuesday, bringing the number in revolt against the government to more than 8 million—about half the nation's work force. The strike even hit Les Halles, the capital's central food market, where fruit and vegetable workers went on a 24-hour warning walk-out.

Most of France's major industries, transport and public services were idle. But electricity and gas were still being supplied, and telephones and telegraph were operating.

For the Parisian, the strike meant no banks open, huge piles of garbage in the streets, no public transportation, no mail, little commercial entertainment, and lineups for food and gasoline.

The situation was similar in Bordeaux, Brest, Clermont-Ferrand, Lille, Lyon, Marseille, Poitiers, Rennes and Toulouse.

Meanwhile, deputies in the National Assembly bogged down Tuesday in a discussion of technicalities of the French education system and which party has done the most to advance it. This postponed the vote on the

Cong Restrictions Voted Out But Curb Measure Is Defeated

BY JOHN CHADWICK
Associated Press Writer
WASHINGTON (AP) - The Senate has voted to undo Supreme Court restrictions on admissibility of confessions and eyewitness testimony in criminal trials—landmark high court rulings that have greatly strengthened defendants' rights.

But in a series of votes Tuesday the Senate voted against a

proposal to curb the Supreme Court's jurisdiction to review convictions in state courts.

The voting came in connection with a broad crime-control bill that ranges from profound constitutional questions to providing more federal funds to local police departments.

On today's agenda was an amendment to provide for the right of counsel at draft board hearings, to be followed by action on a section that would authorize police wiretapping under court orders.

Sens. John L. McClellan, D-Ark., and Sam J. Ervin, D-N.C., led the fight to keep intact the section limiting the Supreme Court's review powers and to overturn decisions they contended have hampered law enforcement.

They said there is nothing in the Constitution to provide for what they termed "a judicial oligarchy."

"The Supreme Court has set a low tone in law enforcement, and we are reaping the whirlwind," said McClellan, floor manager of the bill.

Sen. Joseph D. Tydings, D-Md., who spearheaded forces opposing a lessening in Supreme Court powers, said the court's

Bombers Hit Hard at Enemy

By GEORGE ESPEY
Associated Press Writer
SAIGON (AP) - Waves of American bombers made massive strikes Tuesday and today against enemy positions threatening Saigon, the Central Highlands and allied bases below the eastern end of the Demilitarized Zone.

U.S. fighter-bombers also roared off carriers in the Tonkin Gulf to smash at a sprawling early warning radar complex near the North Vietnamese city of Vinh amid reports that Hanol was hurriedly beefing up its air defenses in the southern panhandle.

The air war against North Vietnam cost the United States two more planes and two more fliers Tuesday. A Marine A6 Intruder was shot down near Dong Hol, 45 miles above the DMZ, and both crewmen are missing.

A Navy A4 Skyhawk was downed north of Vinh, but the pilot was rescued by helicopter.

This increased the total number of U.S. warplanes reported lost over North Vietnam to 840.

America's biggest bombers, the Air Force Strategic Command's B52s, mounted eight raids, four of them in the Central Highlands west of Dak To and Kontum. Seven North Vietnamese regiments, some of them reportedly equipped with tanks, were said to be poised there, possibly to attack U.S. bases in the highlands.

The aim of such an attack might be to seize control of a large area and use this as a bargaining point in the Paris talks between the United States and North Vietnam.

The attack "could come now, but they will probably wait for the rains to begin, another week or so," one officer said.

Consumer Protection Act Passes

WASHINGTON (AP) - The House passed today a sweeping consumer credit protection act, to require that full information be given borrowers and buyers on the cost of credit.

Criminal penalties would be provided for strong-arm loan shark methods.

The bill now goes to the Senate, where prompt approval of the compromise measure is expected.

Although similar legislation has been fought over in Congress for seven years and Senate-House disagreements kept the present bill tied up in conference for weeks, the House took its final action without debate and by voice vote.

Mrs. Funk Honored at Luncheon

Mrs. Dortha Funk, R. N., Little Rock, Recruiter of retired Registered Nurses, was a visitor in Hope on Monday, May 20. A luncheon was given in her honor at the Diamond Cafe by Mr. C. L. Cross, Administrator of Hempstead County Memorial Hospital. Those attending the luncheon were Mrs. Juanita Rice, Director of Nurses, Mrs. Elizabeth Rogers, In-Service Educator, Hempstead County Memorial Hospital, and seven inactive retired registered nurses.

Mrs. Funk stated that Southwest Arkansas is suffering from an acute shortage of active registered nurses. The two major hindrances to the return of nurses to active duty are low salaries and day care programs. In order to properly supervise other personnel, it is necessary that a nurse keep active in nursing to maintain her knowledge and confidence. Bedside nursing changes very little, but there are always new medicines, techniques and equipment. The nurse now is allowed to do more for the patient than ever before.

Mrs. Rice advised that she is having trouble staffing the 3:00 to 11:00 p.m. and 11:00 p.m. to 7:00 a.m. shifts at Hempstead County Memorial. She and Mrs. Rogers said that they would be glad to give refresher courses to the inactive Registered Nurses in this area.

Talks Resume But Both Sides Firm

By JOHN M. HIGHTOWER
AP Special Correspondent
PARIS (AP) - In a sharp exchange of arguments, North Vietnam's envoy raised the possibility today that the Paris peace talks might fail and told U.S. Ambassador W. Averell Harriman the United States would bear "the full and entire responsibility."

Harriman, in talking with reporters after the formal meeting, accused North Vietnam of using the talks to "make a propaganda impression on the world."

"A lot of people are getting disgusted with these allegations (about the war in Vietnam) which have no basis in fact whatever," he said.

A North Vietnamese spokesman said that during the fourth session, which lasted about three hours, Xuan Thuy told Harriman "in the event these official conversations do not conclude with result, the American side must bear full and entire responsibility."

The spokesman also quoted Thuy as telling Harriman that thousands of Americans, and "progressive opinion" around the world, demand that he change his attitude. Thuy denounced what he called "the obstinateness and the lack of seriousness of the American side."

The meeting was the fourth in the series which began 10 days ago. The next meeting will not be held until Monday morning, an interlude of four days—the longest yet.

Harriman told reporters he had suggested that "we abandon the practice of going out with (public) statements so that we can make some progress with discussions across the table."

But he said he thought the North Vietnamese would not go along, and if they did not the United States delegation would then report publicly what Harriman said.

passed a bill, 68-29, allowing Arkansas voters to decide on any new constitution at a special election in November 1969.

The bill amends a law passed during the first special session that called for a vote on any new constitution at the general election in 1970.

Sen. Robert Harvey of Swifton, who fought for the 1970 election date in the first special session, predicted that the House bill would be defeated in the Senate.

Harvey said that inclusion of the item in the special session was "an effort on the part of the governor to further divide the Democrats."

Harvey said that Rockefeller was "trying to create dissension between the House and Senate."

Werblin Out as Owner of the Jets

NEW YORK (AP) — Sonny Werblin, who breathed life into the struggling American Football League by spending big, big money for players, has stepped out as an owner and president of the New York Jets.

Werblin sold his "little better than 20 per cent" of the club to four mostly silent partners, Donald Lillis, Phillip H. Iselin, Townsend Martin and Leon Hess.

"The deal has been made. We offered Sonny a price and he accepted," Martin said, confirming to The Associated Press Tuesday night the off-rumored sale. The transaction, Martin

rulings were designed to protect the innocent, the ignorant and the oppressed.

He said there was no factual support for arguments that the decisions accounted for increased lawlessness.

The Senate voted 55 to 29 to let stand a provision in the bill making admissible as evidence in any federal criminal prosecution a confession voluntarily given. Trial judges would decide if the confessions were voluntary.

Similarly, the Senate rejected 58 to 27 an amendment to knock out a provision on confessions. This amendment provides that confessions shall not be inadmissible in federal trials just because of a delay in a suspect's arraignment after his arrest.

rest.

But later the Senate adopted an amendment by Sen. Hugh Scott, R-Pa., modifying this by providing a confession would not be inadmissible because of an arraignment delay if it were made within six hours of a suspect's arrest.

By a 63-21 vote the Senate rejected an amendment to eliminate a provision making identification of a defendant by an eyewitness to a crime admissible as evidence in federal court trials.

This is aimed at a Supreme Court decision last year barring such identifications if the eyewitness first had identified the defendant at a police line-up when the suspect did not have a lawyer.

versing a state court ruling admitting a confession in evidence as voluntarily given, if the ruling had been upheld by the state's highest court.

On a 51 to 30 vote, the Senate wiped out a provision that would have denied federal courts authority to review or reverse the admission of eyewitness identifications in state trials.

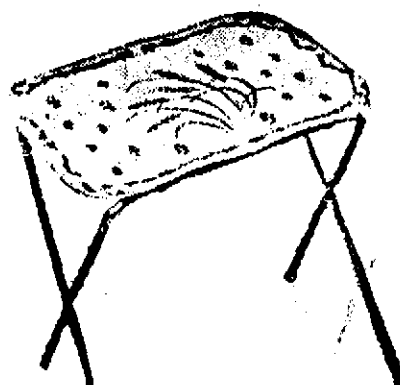

Eliminated 54-27 was another provision that would have stripped the federal courts of jurisdiction to hear habeas corpus petitions by state prisoners who contended they had been convicted in violation of their constitutional rights.
